November 5, 2009

Dear BHS Staff, Students, and Community Members

You have likely read in the media, or heard through other sources, about budget reductions in athletics that will affect our school.

I am writing today to inform you that all high school sports will continue to be offered in all U-46 high schools. The reductions you have heard about will affect the number of assistant coaches that we have and, in turn, the number of teams available for competition at each school in this spring. However, every U-46 high school will continue to offer:

Sport	Levels Available
Baseball	Varsity, Sophomore, Freshman
Softball	Varsity, Junior Varsity, Freshman
Girls Soccer	Varsity, Junior Varsity, Freshman
Boys Volleyball	Varsity, Sophomore, Freshman
Girls Track	Varsity, Junior Varsity
Boys Track	Varsity, Freshman/Sophomore
Badminton	Varsity, Junior Varsity
Boys Tennis	Varsity, Freshman

Please know that we value the importance of athletics and extra-curricular activities for students. We will continue to provide as many athletic and extra-curricular activities as our budget will allow.

Sincerely,

Kevin Skinkis Ed.D.
Principal

Jeff Bral
Athletic Director
