

# BARTLETT HIGH SCHOOL

## Learning Targets

### Goals for Bartlett High School:

1. Raise the Academic Performance of Every Student
2. Build a First Class Student Activities Program
3. Provide a Safe and Respectful Learning Environment
4. Foster a Professional Learning Community  
Based on Creativity, Collaboration, and Collegiality

The purpose of learning targets and their quarterly assessment is to provide tangible data benchmarks to stakeholders facilitating communication leading to student mastery. This process will align curriculum, learning, and assessment improving the academic success of students.

### BHS Learning Targets for Honors Geometry Quarter 4

1. I can determine the measures of angles of a circle.
2. I can recognize inscribed and circumscribed polygons and apply the relationships.
3. I can find the area and perimeter of polygons.
4. I can find the lengths of segments of a circle.
