Dr. Kevin Skinkis

October 2007

From the Desk of Dr. Skinkis

Dear Parents/Guardians,

I would like to begin by welcoming everyone to the 2007-08 school year. Words cannot express how elated I am to be the Principal of Bartlett High School. The school year has kicked off in great fashion and I am very excited about the months to come.

Listed below are the Goals for Bartlett High School. Those of you who were able to attend “Freshman Parent Night” or “Back to School Night” heard me address the goals listed below. As the stakeholders (administration, staff, students, parents, and community members) of Bartlett High School, we will be using these goals to drive our efforts to improve BHS and make it a premier high school in the state of Illinois.

Goals for Bartlett High School:

1. Raise the Academic Performance of Every Student
2. Build a First Class Student Activities Program
3. Provide a Safe and Respectful Learning Environment
4. Foster a Professional Learning Community Based on Creativity, Collaboration, and Collegiality

One specific strategy that will help us achieve our goals is improving communication between the school and its’ constituencies. One method for doing this is our newsletter. We will be sending out a Newsletter every quarter to keep you up to date on important dates, topics, and information that will assist you as a parent/guardian of a Bartlett High School student. Another means of improving communication will be our web page (www.u-46.org/bhs). As this year carries on, I will be making improvements to the BHS web page so parents, students, and community members can visit this site daily for information on upcoming events, important reminders, and highlights of the great things that are taking place at BHS.

Finally, I would like to address the school calendar. The school calendar for the 2007-08 school year was generated last spring prior to my arrival. It has come to my attention that there are conflicts/changes that have to or will occur. I would ask that you check the website (events calendar) regularly to keep up to date with our school calendar. I want to apologize for this inconvenience, and I appreciate your patience with this oversight.

Go Hawks!

Kevin Skinkis Ed.D.
Principal
Bartlett High School
