

In all seven of the shooting incidents the students who killed had several things in common

They:

- 1. were bullied, humiliated or excessively teased.**
- 2. felt overwhelmed, hopeless and desperate.**
- 3. were seriously depressed, had suicidal thoughts, made suicidal statements or committed suicide.**
- 4. did not confide in a trusted adult.**
- 5. had access to a gun.**
- 6. warned a peer of their intent to kill and the peer did not tell an adult.**
- 7. are now dead, or serving life in prison.**
