August 2020

Dear Royal Students and Families,

My name is Matt Sugrue and I am excited to be joining the Royal family as the Sophomore Dean of Students at Larkin High School for the 2020-2021 school year. I have spent the past eight years as a social studies teacher and administrator at two charter schools in the Englewood and North Lawndale communities in the City of Chicago. Over my career I am most proud of my efforts to close the achievement gap, provide an equitable experience for my students and work closely with students and their families to participate in and build restorative justice programs.

I received my undergraduate degree in History and Secondary Education from the University of Illinois and received my master's degree in Educational Policy and Leadership and my principal endorsement from Northern Illinois University.

In my personal life, I am blessed to be married to a wonderful wife, Laura, and to be the father of a six month old son, Leo. When Leo lets me have free time, I enjoy reading, studying history and watching my beloved Chicago sports teams.

As a Dean of Students, I take my responsibility to provide our students with a safe and supportive environment seriously. To those ends, I would also like to extend the invitation to you to partner with me in this work as I cannot do that alone. Please feel free to call or email anytime or stop by my office hours which are linked on the Larkin website. I look forward to meeting all of you soon. Go Royals!

Sincerely,  
Matt Sugrue
