

ARE YOU AN ELGIN RESIDENT GOING INTO JUNIOR OR SENIOR YEAR OF HIGH SCHOOL?

This summer the City of Elgin is hiring 10 students who are interested in a STEM career to intern in our Information Technology Systems (ITS), Police, Fire, Water, Parks and Recreation and Engineering Departments.

The City's STEM Summer Internship Program provides students an opportunity to help with projects that make Elgin a better place to live, work and visit.

The STEM Internship program runs from June 7 - August 13, 2021, with individuals working 30 hours per week. STEM internships with the City of Elgin include a variety of duties, such as:

- Fixing computers
- Crime analysis
- Fire prevention inspections
- Caring for animals at the Lords Park Zoo
- Assisting with restoration at nature center
- Lab testing the City's drinking water
