

WHAT DO SOCIAL WORKERS DO?

School Social Workers provide a safe space for all students. They assist with social, emotional, and behavioral needs.

- Crisis Intervention
- Individual and group services
- Provide resources to families
- Mandated reporters
- Connect families/ students with community services

TEFFT MIDDLE SCHOOL SOCIAL WORKERS

MR. MALAGON

My name is Jose Malagon. I was in a Specialty Role at my last district addressing Substance Use issues. I have Social Work experience in the areas of outpatient mental health, residential, medical and now education. I am looking forward to joining the Tefft Middle School family!

I have been married for 14 years and have a 4 year old son. In my spare time I enjoy cooking, trying new food and working out.

MS. RAPPOLD

My name is Emily Rappold. I graduated with my MSW this past May after spending the year at a suburban high school for my internship. In my free time, I enjoy working out, going on walks, trying different restaurants around the city, and spending time with my friends and family. I am excited to be a part of the Tefft team this school year!
