Due to the number of tickets each family is receiving, we will not be issuing additional tickets.*** Please plan accordingly. All eighth graders are

8th Grade End of the Year Trip

We are pleased to announce that this year we have planned our 8th grade end of the year celebration field trip to the Main Event in Hoffman Estates. The Eighth Grade Trip is scheduled for **Friday, May 24th, 2024.** Students will enjoy three hours playing unlimited games, laser tag, bowling, ropes course and the use of air hockey, and pool tables. Pizza and unlimited soda will be provided. The

cost to the students will only be \$30. Permission slips will be distributed next week during all lunch periods.

In order for students to participate in this celebration, they will be required to adhere to behavior and academic policies for the second semester of the school year. Students were informed of these requirements in January and they have been listed in the newsletter every week. If students fail to meet these requirements they will not be allowed to go on the trip and **refunds will not be issued**. The end of the year trip is a privilege that we want every 8th grader to earn. Please support us in promoting this event with your student, as well as the expectations.
