Message from the Principal

As we conclude the 2023/24 school year, I would like to extend my heartfelt gratitude to all our students, parents, and staff for making this year so successful and fun!

To Our 8th Graders: We will miss you and wish you nothing but good luck and success as you prepare yourselves to "Take the Future by STORM!" Remember everything you learned at Kenyon Woods and make us proud!

To Our 7th Graders: We will see you in the fall! Rest, relax, and READ over the summer. Come back to us ready to live the Kenyon Way! We cannot wait to help you make your dreams a reality by DREAMING BIG!

To Our Teachers: Thank you for the hard work and dedication that you gave to our students all year long. You too rest, relax, and rejuvenate this summer.

Have a wonderful summer break, everyone!

Best Regards
Lisa Olsem ~ Principals

FROM THE CREATIVE MINDS OF OUR PANTHERS!

For their final summative project, Art 2 students went back to two-point perspective and created a "Fantastic Floating City" from their imaginations. These projects were a culmination of what they learned in Art1&2 classes and they were able to finish them in the media of their own choosing. Here are two fantastic examples from **Riley Anderson** and **Chloe Su**:

Art 4 students went all out creating their final mural projects, leaving a legacy here at Kenyon Woods Middle School. Here are some great mural examples from **Zareen Ansari, Mikaela Goeltenbott, Abby Baker, Lily Patel, Ariana Saez, Kyla Lopez, Kim Queriones** and **Izzy Townsend**:
