

Clinton Elementary See and Wave:

Hello parents/guardians of our Clinton Elementary Students,

On Tuesday, September 15, we will be hosting our very first "See and Wave". This will be an opportunity for your child to see their teacher and have a brief interaction with them. It's also an opportunity to pick up each student's copy of *The Lemonade War*, by Jacqueline Davies for our One Book One School program. Below are the specifics on this school wide activity.

- 4:00 - 5:00 pm. Parents will drive their children by the front of our school, to see our staff in person. No students or parents will be allowed to exit the vehicle. All participants must be inside of vehicles.
 - K-2 4:00
 - 3-4 4:20
 - 5-6 4:40
 - If you have students in multiple grades, choose any time that works for you.
 - If you cannot make one of these times, feel free to join in at another time.
- Traffic will proceed North on East Avenue. Take a left and head West on Mill Street and proceed past the front of the school (Map included at end of document)
- We will be creating a video and posting it to our website for students that are unable to attend.
- One book one school distribution
 - We will be giving each student a copy of *The Lemonade War* by Jacqueline Davies.
 - As a building we will communicate our schedule for each family and student reading this book and have activities planned throughout the year celebrating the book we have read together.

It's a great day to be a Cougar, because Cougars Care!
