Our Commitment to You:

WHAT CAN I DO NOW?

- ♦ Take your child to the library to sign up for the summer reading program & make connections between the books and your child's experiences.
- ♦ Look for math in the real world — while you are cooking or shopping as a family and talk about it.
- ♦ Visit the many great museums in our area.
- ♦ Learn about Destination 2015 and how you can help your child become college & workplace ready.
