

FAMILY AND COMMUNITY ENGAGEMENT

School Goal Statements:

- Our school will welcome, empower, and recognize every family, from every culture, background, and demographic, as essential partners in their child's education, school planning and decision making at Tier I, Tier II, and Tier III.
- Our school will include and consider the input of government agencies, non-profit organizations, business and the community in general in ensuring equity of programs to every student, from every culture, background, and demographic in Tier I, Tier II, and Tier III.

SOCIAL EMOTIONAL WELLNESS

School Goal Statement:

Our school will ensure a safe and welcoming environment for all students through developmentally, culturally, and linguistically appropriate practices in Tier I, Tier II, and Tier III.

STANDARDS BASED LEARNING AND ASSESSMENT

School Goal Statement:

Our school will ensure that every student from PreK to 6th grade, from every culture, background, and demographic, has access to standards-based core instruction that is differentiated, that uses their strengths, and in which formative assessments support student growth in Tier I, Tier II and Tier III.
