

Spring Trail Elementary School#

Spring Trail Elementary School safe route to school plan

Walkers and bikers:

Walking and biking route. Follow these arrows for the route to school. Remain on the side of the street that the arrow indicates.

Crosswalks.

At the intersection of Spring Valley Drive and Georgetown Drive there will be school safety patrol students to assist with students crossing the street. School safety patrol will not enter the street. They will have 3 foot polls with stop signs. Safety patrollers will hold out the signs to stop vehicles. When all traffic stops the patrollers will allow student to cross the street. A school crosswalk sign will be posted in the street on school days.

Vehicles:

Spring Trail recommends following the route for the safety of the walkers and bikers. Follow these arrows for drop off and pick up in the Spring Trail parking lot. Take Spring Valley north to Big Horn Trail and turn east. Follow Big Horn Trail to Spring Trail and turn left toward the school. Enter the parking lot. When leaving the parking lot "right turn only" to south bound Spring Valley Dr.
