

Attendance Policy

Absences from school are excused for illness, funerals, and family emergencies. Medical appointments should be planned when school is not in session. If it is absolutely necessary to schedule a medical appointment during school hours, the student must present an appointment card or doctor's note upon returning to school. Vacations are considered unexcused absences.

Work missed due to an absence must be made up. The student must contact the teacher for the missed assignments and return the completed work within the time frame set by the teacher. Assignments for absences of three (3) or more days may be obtained through the Main Office at the request of the parent or guardian.

When a parent or guardian knows their student will be absent from school, he/she should report this information by calling the Attendance Line at 630-213-5550 (press 2) or email us at: eastviewattendance@u-46.org

Chronic Absenteeism

Chronic Absenteeism is defined as missing 10% or more of a school year for any reason: Excused Absences, Unexcused Absences (including vacations) and Out of School Suspensions.
