
Century Oaks Parents & Family Members!

WE NEED YOU TO GET INVOLVED!

BENEFITS:

- Help create a safe, challenging, inspiring and fun school!
- Connect with and work with other parents and family members
- Support first rate programming for all students

OPTIONS for INVOLVEMENT

- A. Universal Team (1-2 Parents)** Develop and monitor school-wide core instruction, including climate, culture and our school-wide Positive Behavioral Intervention System (PBIS) program. This team plans the implementation of these programs, looks at data, determines required school plans, including celebrations and events to support a positive school climate. Parent members will provide consultation of how PBIS can carry into the home and help establish the engagement needed for shifting the school wide culture.
- Universal Team meets at 2:30 PM the first and third Monday of the month via Zoom.
- B. School Improvement Leadership Team (1-2 Parents)** Contribute to the development and implementation of the School Improvement Plan. With your input we can incorporate parents' expectations of the school, understand the students' needs from the parents' perspective, and solicit parent expertise in problem-solving.
- School Leadership Team meets at 2:30 PM the second and fourth Tuesday of each month via Zoom.
- C. Parent Advisory Leadership (PAL) group (Unlimited)**
- PAL serves as an advisory group by providing the principal with feedback and insight from the parent's perspective on school processes, policies and initiatives to ensure that parents/families voices are included as decisions are made at the school.
- Parent Advisory Leadership (PAL) sessions are held twice a month, one evening and one morning via Zoom.
- D. U-46 Citizen's Advisory Council (up to 5 parents):** The Citizen's Advisory Council (CAC) is a districtwide group of parents and community members who study and explore topics of interest to the district community and suggest ways to improve the school district.
- Citizen Advisory Council (CAC) meets at Elgin High School the second Thursday of each month.

**See the CAC Handout for additional details.
