

# Abbott Middle School Weekly Message

Sunday May 1, 2022

**Good evening, Abbott families, friends, and staff members!**

I hope this week's message finds you well. This week begins the last four weeks of the school year. It is hard to believe the end of the school year is getting so close! Please talk with your child about making the most out of these last weeks of school and continue to monitor your student's progress by logging into the Infinite Campus Parent Portal every week with your student. If you have any questions about how your child is doing, please email your child's teacher directly. Teachers' email addresses can be found on our Abbott webpage:

<https://www.u-46.org/abbott>.

## **Summer School Opportunities for Students**

Middle School students may register for middle school summer school in order to engage in learning experiences in language arts and mathematics. Students who did not demonstrate proficiency in one or more semesters of language arts or mathematics are strongly encouraged to register for summer school in these subject areas:

- 7th Grade Math
  - 8th Grade Math
  - 7th Grade Math for English Language Learners
  - 8th Grade Math for English Language Learners
- 
- 7th Grade English Language Arts
  - 8th Grade English Language Arts
  - 7th Grade Spanish Language Arts - Dual Language
  - 8th Grade Spanish Language Arts - Dual Language
  - English as a Second Language (ESL) Level 1-2
  - English as a Second Language (ESL) Level 3-5
