Nicole Skrzypchak, Director

Guided tours will be provided by
Creekside 4th grade students and refreshments will be available in
the commons immediately following the ceremony.

Thank you for joining us today for this special event.

Message from the Principal

n behalf of the staff, students and parents of Creekside Elementary School, we welcome you to our new building. We are very proud of our beautiful new facility and are extremely excited about serving the children in our community.

Our building represents the work and support of numerous people. We would like to acknowledge and thank some of those who contributed to the creation of our new school:

- the District U-46 Board of Education and their advisors, Superintendent Edwards and the Citizens' Advisory Council, for their vision in seeing the need for our school and their leadership in initiating this project;
- the Creekside staff for their enthusiasm, professionalism, dedication and their willingness to embrace change and new challenges;
- the parents who have shown their support and willingness to make this school their school by volunteering their services in many different ways;
- the talented architects, trades people, contractors, District U-46
 Construction Management, District U-46 Plant Operations staff and the
 Purchasing and Warehouse Departments who worked with so much dedication to open our building on time.

We recognize the important contributions of all these people. However, our school as a learning institution is mainly the people within the building and in the community. Our greatest and most important challenge is to work together to establish and maintain a spirit of dedication, cooperation and excellence. Together we can make a difference in the lives of our children.

Creekside Elementary will be here for many years to come. We are all very fortunate to be a part of its beginning. The children of this community have a wonderful school where they can grow and learn. We dedicate Creekside to them. We promise to do our best to serve them well.

Karen Carlson Principal

Snapshots of Your New School

- 1 Learning Center
- 2 Kindergarten Classroom
- 3 Main office
- 4 The Computer Lab is equipped with a "Creation Station" that works with the latest software, a color printer, CD recorder and scanner. A digital camera is also used in conjunction with the Station.
- **5** Each classroom has ample storage and countertop space.
- 6Computer Lab
- **7** The school is wired with a central video system that transmits programming to a monitor hanging in each classroom. Each monitor also has a VCR attached to it for showing of individual programs.

Key Features

- Early childhood facility
- Art classroom
- Music classroom
- Beautiful learning resource center
- Multi-purpose room
- Kitchen adjacent to the commons
- Full-sized gymnasium
- Sufficient office space for itinerant specialists to serve children

Architect & Contractor

REEKSIDE ELEMENTARY SCHOOL was designed by the architectural firm of Burnidge, Cassell & Associates of Elgin.

The general contractor was A.J. Maggio Construction of Mt. Prospect.

Robert Kellen is School District U-46's Coordinator of Construction.
