# The Approach

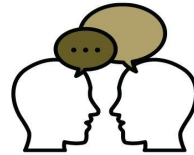

## OUR DESIGN PROCESS

### DISCOVER

What do we want to change?  
What are the issues?  
Who do they impact?

STEP  
01

STEP  
02

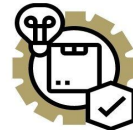

### INTERPRETATION

How can we make a change?  
Engage in empathic  
brainstorming

### IDEATION

Make the Change  
Create the plan: resources,  
prototype, timeline and  
teamwork

STEP  
03

STEP  
04

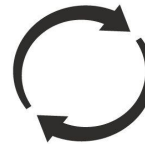

### EXPERIMENTATION

Implement your plan  
Reflect on first attempt and  
revise

### EVOLUTION

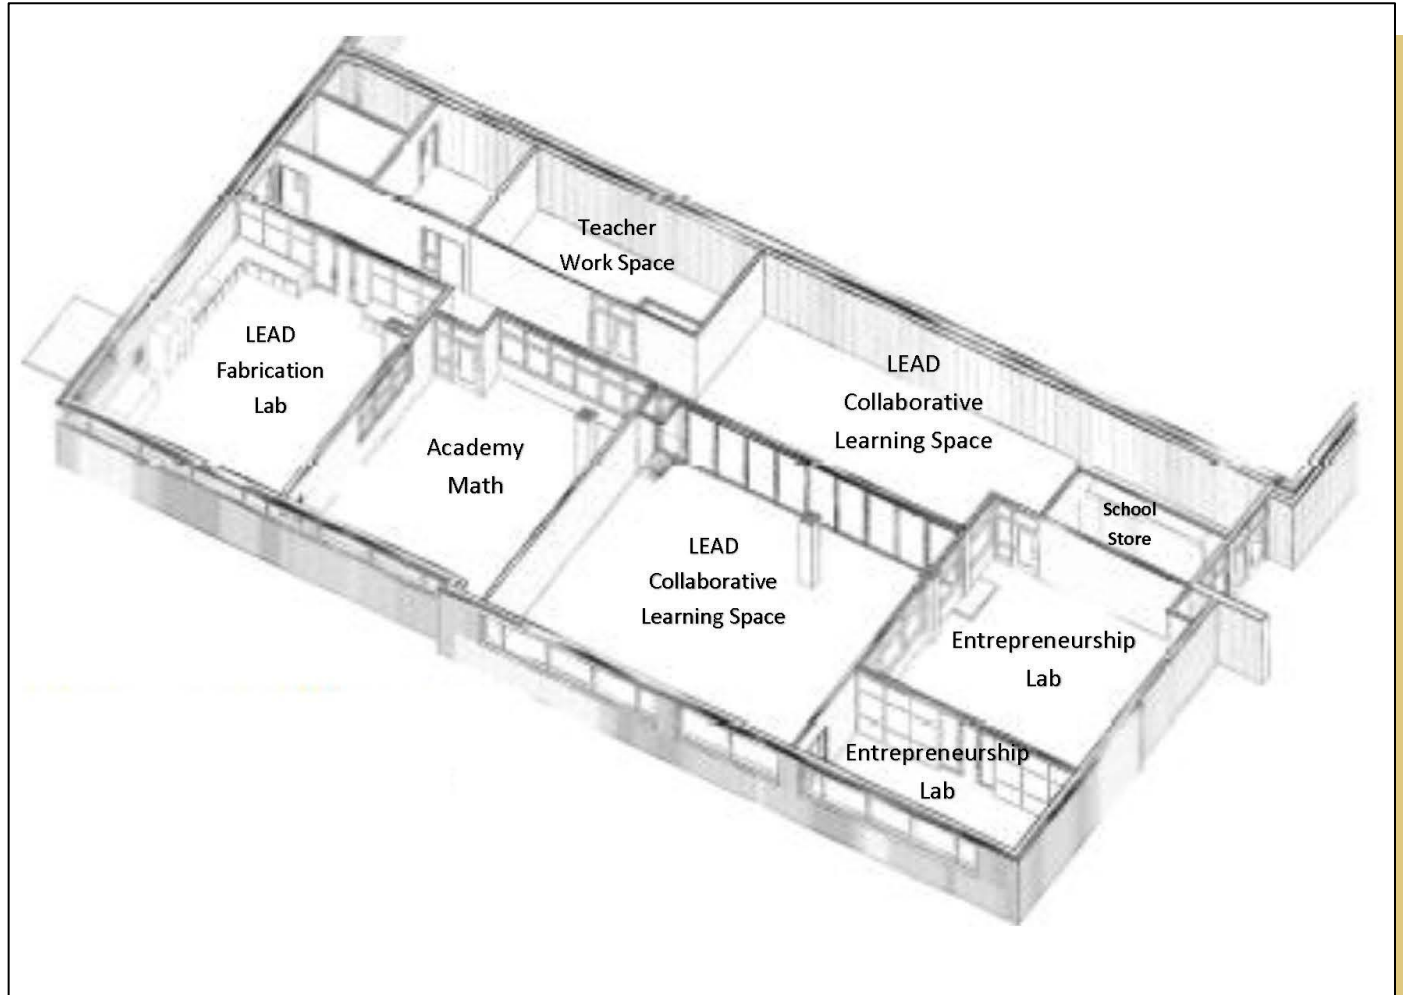

Share and Empower  
Communicate your  
experience to inspire others

STEP  
05

# The Space

# Opportunities to Get Involved

- Academy Student Advisory Board
  - ◆ Provide feedback for program development
  - ◆ Plan academy events with LEAD staff
- Academy Parent Advisory Board
  - ◆ Provide feedback for program development
