MARCH 28-APRIL 1, 2016

SMCEP is a week long program to introduce you to today's manufacturing careers with emphasis on work ethic, industry skills, and career opportunities. Fifteen (15) students participating in Streamwood High School's Manufacturing Design and Technology program will be offered the opportunity to participate. At the conclusion of the program students will receive a \$200 stipend for successful program completion.

APPLICATION DEADLINE FEBRUARY 3, 2016
