Payment Chart for Shortened Weeks

(Due to Holidays, Institute/Conference and District Non-Attendance Days)

- Credit is not given for days absent unless it is a District holiday or District day off of school, such as an Institute Day, Parent Conference Day or Emergency Day (Snow Day).
- If your child is absent from a regular scheduled day and school is in session payment is required for the full schedule.
- You may not add or switch days.
- Emergency days are made up at the end of the school year. Used emergency days will alter your final payment of the year.
- Following chart reflects 10% discount for each additional sibling.
- Please note: A minimum sign up of three days per week is required. The chart below includes rates for less than three days to accommodate those using a three day schedule. For example: If your child attends Monday, Tuesday and Wednesday and Monday is a district holiday or district day off your required payment would be for two days.
