Course Welcome/Intro

Welcome to 7th Grade Math and Larsen Middle School! I am glad you are here! I am available for help either before or after school by appointment. The above email and phone number can be used to reach me.

Required Course Materials

Bring daily: Case-it- pens, pencils, highlighters, paper, calculator (TI-30XIIS). Chromebook: Charged Chromebooks are to be brought to class on a daily basis. If a student does not bring his or her Chromebook, the student is expected to continue participating in class and complete all class work.

Classroom Expectations

Integrity - Be in your seat when the bell rings! Value others and treat them as you would like to be treated!

Ownership- Bring all your materials. Have Practice Work finished before you come to class.

This is it- Live in the NOW....be sure to ask questions when you have them!

Reassessment Policy

Students will have multiple assessment opportunities to demonstrate higher levels of achievement on any assessment that is used to determine an overall proficiency and grade. The opportunities may be initiated by the instructor or the student, but always at the discretion of the teacher. Reassessments must be completed within a reasonable time of the original assessment being returned to the student.

Redo work for assessment depends on the assessment and must be completed within 2 weeks of original assessment. Student must see teacher for work!

Other Classroom Policies

- Practice work is expected to be completed, and will be recorded in Infinite Campus as feedback and as communication tool for students and parents. Graded practice scores will be entered into Infinite Campus as a "+" (understand it!) "/" (almost have it!) or "-" (don't have it yet!). Any assignments may also be marked in Infinite Campus as "M" (missing), "I" (incomplete), "T" (turned in), or "X" (exempt).

A google classroom will be set up for additional video resources and math help. Please be sure your email is correct in infinite campus, as frequent emails and updates will be sent.
