# How do I Apply?

## Full-Time Dual Credit Program

Full-time dual credit students take all their courses at ECC. This guide provides information about the application and testing process for students applying to an ECC Dual Credit program. All questions regarding the application process, timeline and deadlines should be directed to your high school counselor.

All students must follow the application process as described in this guide. Please read all information related to the Dual Credit program you are interested in. It is important that you understand the testing policies and requirements.

All students must complete the following process:

1. Complete all high school requirements: Strongly recommend a cumulative unweighted GPA of 3.0 or better and have satisfactory progress towards high school graduation.
2. Complete the Dual Credit Initial Interest Form found at [U-46.org/dualcredit](http://U-46.org/dualcredit) – You will not be considered for the Full-Time program if this form is not completed.
3. Follow the application instructions included on page 5 and all complete all testing requirements by January 31<sup>st</sup> for priority consideration or February 15<sup>th</sup> for final consideration.
4. All application materials must be completed and received by February 15<sup>th</sup> to be considered for the full-time dual credit program.

All full-time dual credit admissions decisions will be communicated on **March 3, 2023** and will be based on students meeting all ECC and high school requirements. High schools will communicate admission decisions, and ECC will follow up with an invitation to a Welcome Night event for students accepted into the Full-Time Dual Credit program.

## Part-Time In-High School Dual Credit Program

Part-time Dual Credit courses are a part of a student's 8 period schedule at their high school. All students must complete the following process:

1. Complete all high school requirements: Strongly recommend a cumulative unweighted GPA of 3.0 or better and have satisfactory progress towards high school graduation.
2. Work with your school counselor and register for the in-high school part-time dual credit class during your course selection meeting.
3. Submit an ECC Application following the Dual Credit Application Instructions in the next section of this document. Please follow these steps carefully, failure to do so will result in an incomplete application

4. Complete all required ECC Placement Tests by May 1, 2023, there may have additional time to complete placement tests.

**After students discuss their eligibility with their high school counselor, they need to complete an ECC application through the DualEnroll process beginning November 1, 2022.** Instructions on how to fill out the application are included in the following section. Please follow these steps carefully; failure to do so will result in an incomplete application.

Upon submitting an online application form, students will receive an email notification to inform them that their application will be processed within 24-48 business hours. After the application is processed, ECC will mail a letter to students' home address with information on how to complete the required ECC placement tests or submit qualifying test scores.

The ECC Dual Credit Office will communicate with high schools throughout the application and testing process. Confirmation of application and test scores will be shared with the school district staff on a continuous basis. Students are highly encouraged to follow up with their high school counselor with any questions regarding their application and admissions status.

As a reminder, all admissions decisions will be based on students meeting all ECC and school district requirements. The school district will communicate admission decisions.

A screenshot of the DualEnroll application interface. The page has a dark blue header with the word "Login" in white. Below the header, there are two main sections. The left section is titled "Log in to your existing DualEnroll account" and contains two input fields for "USERNAME:" and "PASSWORD:", a blue "LOGIN" button, and two links: "Forgot your username or password?" and "Need to enter your text confirmation code?". The right section is titled "New students" and contains a blue "CREATE MY ACCOUNT" button. A red rectangular box highlights the "CREATE MY ACCOUNT" button.

- Complete the New Student Account Creation screen. Select student's High School from the drop-down menu. Create a unique log in, password, confirm password, complete First and Last Name, Date of Birth, and Email and or Cell phone. Email and cell phone must be unique to that student. Email should be student's personal email. Click "Create Account".

- When the student account is created, the log in screen will display a message that the student has signed up successfully and advise that an email will be sent to the student email provided to confirm their account.
- Student must click "Confirm my account" to continue. **This step will automatically open the application on the DualEnroll site.**

**Note-** The application process may be revised slightly. Students are encouraged to connect with their high school counselor for assistance.

## Submitting Transcripts

Elgin Community College and the high school will confirm students' current unweighted high school GPA before a final admission decision is determined.

**School District U-46 will submit final high school transcripts on behalf of all dual credit students.** Transcripts will be sent to ECC's Admissions Office.

## Preparing for Testing

Placement tests assess students' skill levels and are used to confirm academic readiness to enroll in college courses. Prior to taking the placement test, review "How does the test work" and "How Can I Prepare for the test" sections on the pages below for access to practice and examples. The more practice, the better students will do!

- [Math Placement Test](#)
- [Reading Placement Test](#)

## Testing Information

After submitting an online application, students will need to complete the required placement tests associated with their program/courses. If students have qualifying PSAT, SAT, or ACT scores, then they must inform their school counselor and submit a PDF of their scores to [postsecondarysuccess@u-46.org](mailto:postsecondarysuccess@u-46.org).

All students must meet the minimum college-level benchmarks in reading, writing, mathematics, and foreign language required by the courses/program for which they are seeking enrollment in next academic year.

**Students that plan to complete ECC's Placement Tests are limited to two (2) attempts for the Reading and Writing tests, and five (5) attempts for the Math test.**

***NOTE:*** *The allotted attempts do not reset after high school graduation. Reading and Writing test scores expire after five (5) years and two (2) years for Math scores. If a student plans to continue at ECC after high school graduation, then they should be aware that the scores they earn while applying to one of the Dual Credit programs may be used for placement and enrollment.*

Placement tests can be taken either remotely or on-campus. Information on each placement and how to prepare can be found at the links below:

[Reading Placement](#)

[Writing Placement](#)

## Remote Testing

Students first need to set up their accessECC accounts by following the instructions included– [Instructions-Setup AccessECC Account](#). After their account has been setup, then they will be able to activate their ECC email address - instructions are also included at the end of the guide – [Instructions-Setup ECC email](#).

**Students ECC ID # will be included in a letter sent from ECC that confirms the successful submission of their application.**

Once you've set up your AccessECC account and ECC email then you may sign up to take the exam(s) that is required for the course that you are interested in.

### Reading and Writing Placement:

To access the remote [Reading](#) and [Writing](#) tests, complete the [remote testing form](#) on the website. A follow-up email with instructions will be sent to your ECC student email.

### Math Placement:

Remote math placement instructions can be found directly on the [Math Placement](#) webpage.

### Modern Language Placement:

Email [testing@elgin.edu](mailto:testing@elgin.edu) to request this remote test, and a proctor will reach out with available times.

Testing Services staff are available at 847-214-7150 or [testing@elgin.edu](mailto:testing@elgin.edu) to assist students with remote testing setup.

## On-Campus Testing

Testing Services is also offering appointment-only testing on-campus. [Register for on-campus testing](#). All testers must bring a valid photo ID, school IDs are accepted.

## Testing Accommodations

If you have a documented accommodation and need to arrange for testing, please make an appointment with the coordinator of ADA and Student Disability Services by calling 847-214-7390.

## PSAT/SAT or ACT Testing

Students can use their qualifying PSAT/SAT or ACT to fulfill their ECC placement requirements. Please follow up with your school counselor to learn more about these testing opportunities.

## Testing Requirements – Benchmark scores
