 Zero-Tax-Rate-Change
Bond Proposal

For more info, visit
U-46.org/bondproposal

*The District continues to prioritize proactive building maintenance. This is an expanded list of capital projects the District would be able to complete in the next five years (2023-2027) if voters approve the bond proposal. It's important to note that economic factors beyond the District's control could impact the timeline of these projects.
