Choice #1 - Read a book!

Read your library book or any book you have in your house. Reading is already awesome but to make it even more fun consider.....

- Calling/video chatting a friend or family member to surprise them with a story!
- Read to a pet (don't be offended if your pet doesn't seem too interested!) You can read to your favorite stuffie too!
- Draw a picture showing your favorite part of your book!
- Write a book review, telling us why we should read this book!
- Challenge yourself and turn your book into a comic strip or graphic novel!
- Create a new cover for your book!
- Create a favorite book character using items from home! Toilet/paper towel rolls - boxes - plastic - pipe cleaners - the options are endless depending on your creativity!
- Create a diorama using a shoebox or an empty box, using things from home and or small toys to place inside your 3-dimensional scene!
- The weather is getting nicer and it is a perfect time to get outside with a chair and read a great book!

<p>Choice #2 - Digital Escape Rooms!</p>	<p>Back by popular demand!! Have you ever participated in an Escape Room? If you have, you know how cool it is! I'd like to share 2 more digital escape rooms with you! A digital escape room uses the same concept of solving a series of clues to unlock locks just as being in a physical escape room does. However with a digital escape, all that is necessary is a device connected to the Internet. Read along, follow the instructions and try out one of the digital escape rooms below. Both were made by very creative librarians! Have fun and good luck!</p> <ul style="list-style-type: none">• Alice in Wonderland Digital Escape Room• Marvel Super Heroes Digital Escape Room
<p>Choice #3 - Go on an adventure!</p>	<p>Although we cannot physically go to parks, zoos, or aquariums during this time, wouldn't it be nice if we could? Think it's not possible? Think again! Thanks to technology, it is now possible to visit all kinds of fun places right from home! Check out some of the best virtual "trips" out there right now! Included in this link are 25 different places to visit! Just click on the "trip" you want to see and away you go!</p> <ul style="list-style-type: none">• Virtual Field Trips
