*School and Community Relations and Food & Nutrition Services  
March 24, 2020*

## GENERAL

### 1) Q: What are P-EBT food benefits?

A: The Pandemic Electronic Benefit Transfer (P-EBT) provides benefits to certain children who receive free or reduced-price school lunches under the National School Lunch Act. P-EBT is a temporary food benefit program operating during the COVID-19 pandemic. P-EBT only provides benefits for days that students lack access to an in-school lunch. P-EBT provides \$6.82 per each school day that children are engaged in remote learning. P-EBT benefits will be retroactive to the start of the 2020-2021 school year based on the child's attendance record.

### 2) Q: Who is eligible for P-EBT benefits?

A: Your child and your school must meet certain criteria to be eligible for P-EBT  
Your Child:

- Must be enrolled in free or reduced-price school meals at a school operating the National School Lunch Program; OR,
- Must be enrolled in a Community Eligibility Provision (CEP) or Provision-2 school, which offers breakfast and lunch free to all students; AND,
- Must have not had access to an in-school lunch at least some days of the month

Your School:

**3) Q: Do children in preschool qualify for this program?**

**A:** Preschool programs at Illinois Park and Independence are not part of the National School Lunch Program. Pre-K programs hosted at elementary schools are eligible.

**4) Q: Do I need to apply?**

**A:** Families do not need to apply for P-EBT. Cards will automatically be mailed to eligible families. However, your child must receive free or reduced price meals at school AND the address you have on file with your child's school must be correct.

If your child is already enrolled in free or reduced-price school meals OR your child's school provides meals free to all students AND your address is up-to-date:

- Your family will get P-EBT automatically. Each child will receive their own card.
- Cards will be mailed to you in March. Cards will arrive in an unmarked envelope so please be on the lookout.
- Families should hold onto their P-EBT card(s) because future benefits will be loaded onto the same card.

If you are new to a school district, if your child did not receive free or reduced-price meals last school year, OR if you recently moved:

- You must fill out an application for free or reduced-price school meals by contacting your school.
- You must make sure your school has your correct address.

**A:** You need to make sure your address is current in Infinite Campus and go online to [IDHS](http://IDHS) and update it there as well.

**A:** We can confirm your eligibility status, please contact Shelli Castillo at 847-888-5000 ext. 5446 or [shellycastillo@u-46.org](mailto:shellycastillo@u-46.org).

**A:** The benefits are through the State of Illinois- same for all public schools in Illinois.

**QUESTIONS SPECIFIC TO THE CARD**

**11) Q: Will we receive one card for the whole family?**

**A:** No, each child will receive their own card in an unmarked envelope delivered by the United States Postal Service.

**A:** No, you will receive a new EBT card with the student's name on the card specifically for P-EBT. Each month, benefits will automatically be loaded onto that card for as long as P-EBT operates.

- For the date of birth, you must enter your child's birthday.
- You will choose a PIN for the card. When you go shopping, you will enter this PIN in order to make a purchase with the card.

**16) Q: Can we use the P-EBT card at any grocery store?**

**A:** P-EBT benefits are provided on a card that can be used like a debit card to purchase food at SNAP/LINK authorized grocery stores.

**HYBRID AND DISTANCE LEARNING QUESTIONS**

**19) Q: My child is attending school in a hybrid model where they are in the classroom some days and learning remote some days. Are they eligible for P-EBT?**

**A:** Yes, your child's attendance will be counted by the school and they will receive a benefit amount based on the number of days that they lack access to an in-school lunch.

[www.dhs.state.il.us/page.aspx?item=131779](http://www.dhs.state.il.us/page.aspx?item=131779))*

**20) Q: My child is attending school in the classroom every day. Are they eligible for P-EBT?**

**A:** P-EBT benefits are supposed to replace the meals that students receive in person at the school. A student who is in the classroom full-time will receive meals at the school instead of receiving a P-EBT benefit.

**21) Q: What if my child is absent, will he/she receive benefits for that day?**

**A:** If they have an excused absence related to COVID-19, they can receive P-EBT for those days.

**OTHER QUESTIONS**

**22) Q: I have been receiving grab ‘n go meals at my school. Can I still receive P-EBT?**

**A:** Yes, students can still receive free meals from school and community sites AND receive the P-EBT benefit as well – they are separate programs.

You can visit [www.u-46.org/Page/17204](http://www.u-46.org/Page/17204) to find curbside meal locations in your area.

**23) Q: I am worried about receiving P-EBT because of my immigration status. Will getting this benefit count in a public charge test?**

**A:** No. P-EBT was not included in the public charge test and does not count in a public charge test. All students are eligible regardless of immigration status. As of March 9, 2021, the public charge rule is no longer in effect in Illinois or nationwide so many previously public benefits that counted towards public charge will no longer be counted. Some of these include SNAP, housing assistance among others. Visit [protectingimmigrantfamilies.org](http://protectingimmigrantfamilies.org) for information about what public benefits impact the public charge test.

**24) Q: My family has not applied to receive free or reduced lunch and we received a P-EBT card from the USPS. Why did we receive a card?**

**A:** All students in the following schools received this benefit regardless of whether they applied or not. These schools are classified as a Community Eligibility Provision (CEP) therefore allowing all families in the school to receive the benefit.

**25) Q: I received P-EBT benefits for my child, but I do not need nor want them. What do I do?**

**A:** If you do not want to use the P-EBT benefits your child is eligible for, you have two options:

- Simply do not use the benefits. Benefits will remain available to you for one year. If your circumstances change over the next year and you need the benefits, you can still use them.
- Request that the benefits be removed from your account right away. Call 1-833-621-0737. Once your identity is confirmed, you can request benefits be removed. You can also use the DHS P-EBT General Inquiry Request and select "Voluntary Return of P-EBT benefits." Please note: once benefits are removed, they will not be reissued if your circumstances change.
