

# Summer Connection

May 27, 2021

# Welcome

- The links and this presentation will be posted on our website: [u-46.org/webinars](https://u-46.org/webinars).
- Comments and questions can be included in the Q&A box.
- The Chat box will be available for presenters to share main points and links.

# Our Topics for Today

- 01** U-46 Summer Connections Update
- 02** Summer Reading Challenge
- 03** Summer community programs

# Summer Reading Challenge

- Four public library partners: Bartlett Public Library, Carol Stream Public Library, Gail Borden Public Library, Poplar Creek Public Library
- Free online program to celebrate reading for fun during the summer break
- Our goal = at least 3,500 elementary students complete the Summer Reading Challenge!

**NEW THIS YEAR!**

- **U-46 Summer Reading Challenge Kickoff Day - June 1**
- Each public library has put together a video to explain their summer reading program [www.u-46.org/src](http://www.u-46.org/src).

# Summer Reading Challenge

## Why read over the summer?

- Research shows that students can lose academic skills if they don't continue to read during summer break.
- Summer reading helps students maintain what they have learned in the school year and can even further develop their skills.
- Students who read during the summer will return to school with a few new words or good stories, and improved reading habits, too.

**Sign up today at [www.u-46.org/src](http://www.u-46.org/src)**
