

Getting Started with Your Chromebook

To learn how to log into your new Chromebook, visit u-46.org/learning to reach our new Digital Classroom section. Click on “Device Support” and under the heading “Tips and Tricks for Your Chromebook,” you will find two short videos that will walk you through turning it on, logging in, and lots of suggestions for making the Chromebook work for you. On this same “Device Support” page, you’ll find other videos and a folder of how-to documents, and even more helpful info in the Digital Classroom section, including upcoming webinars designed for parents with technology-related questions. So make sure to bookmark u-46.org/learning!

Parent Chromebook Information

For all information on your student's Chromebook, including how to find their login and password information through Infinite Campus, please visit <https://www.u-46.org/domain/10872>

You can also reach this site by pointing your smartphone camera at the QR code below:

If you have any questions or issues, please email helpdesk@u-46.org
