The screenshot shows the iPad setup process at step 8, titled "Data & Privacy". At the top left is a "Back" button with a left arrow icon. In the center is a blue icon of two people shaking hands. Below the icon, the title "Data & Privacy" is displayed in bold black font. A descriptive text follows: "This icon appears when an Apple feature asks to use your personal information. You won't see this with every feature since Apple collects this information only when needed to enable features, secure our services, or personalize your experience. Apple believes privacy is a fundamental human right, so every Apple product is designed to minimize the collection and use of your data, use on-device processing whenever possible, and provide transparency and control over your information." At the bottom of the screen is a large blue "Continue" button with white text. Above the "Continue" button, a red callout box contains the instruction "8. Click here (Presione aquí)" in white text. To the right of the "Continue" button is a "Learn More" link in blue text.

8. Click here (Presione aquí)
