

Mini Maroons Photography Release

Dear Parents,

Throughout the school year, I take digital photos of students enrolled in our preschool program. Yearbook photographers may also photograph the preschoolers since our childhood education courses have a page dedicated to them in the Elgin High School yearbook.

The photos may be used for....

- Preschool and high school projects
- As mementos for preschoolers and their families
- On displayed to inform people about our program
- In the Elgin High School yearbook
- at our annual graduation ceremony

I will never post a picture of any preschooler on the internet. Photographs are kept on file and may be used at a future date.

Please complete the form and return it to: Lindsay Crane (lindsaycrane@u-46.org)
