Message from the Principal

We are excited to announce that our new snack bars will be available during lunch at all middle schools by Wednesday, April 9th. We know that having additional snack options can be a great way to keep students energized throughout the day.

Please note that snacks are an optional purchase and are separate from the free breakfast and lunch that all students receive. If your child would like to purchase snacks, they have to use their MySchoolBucks account, as cash or credit card payments will not be accepted.

To help ensure a seamless experience, we encourage families to review and update their child's MySchoolBucks account balance before the snack bars open. Students with a negative balance will need to bring their account to a positive balance before making snack purchases. Students and families will be responsible for maintaining a positive balance in order to continue making snack purchases.

If you have any questions regarding your child's existing account or require assistance, please contact Food and Nutrition Services at FoodService@u-46.org.

Visit www.MySchoolBucks.com or download the mobile app to access your account or sign up for a free.

Thank you for your support. We look forward to offering this new service and providing students with more choices during their school day.

Thank you Everyone!
Lisa Olsem ~ Principal

PLEASE TAKE A MOMENT TO COMPLETE THE 5 ESSENTIAL SURVEY

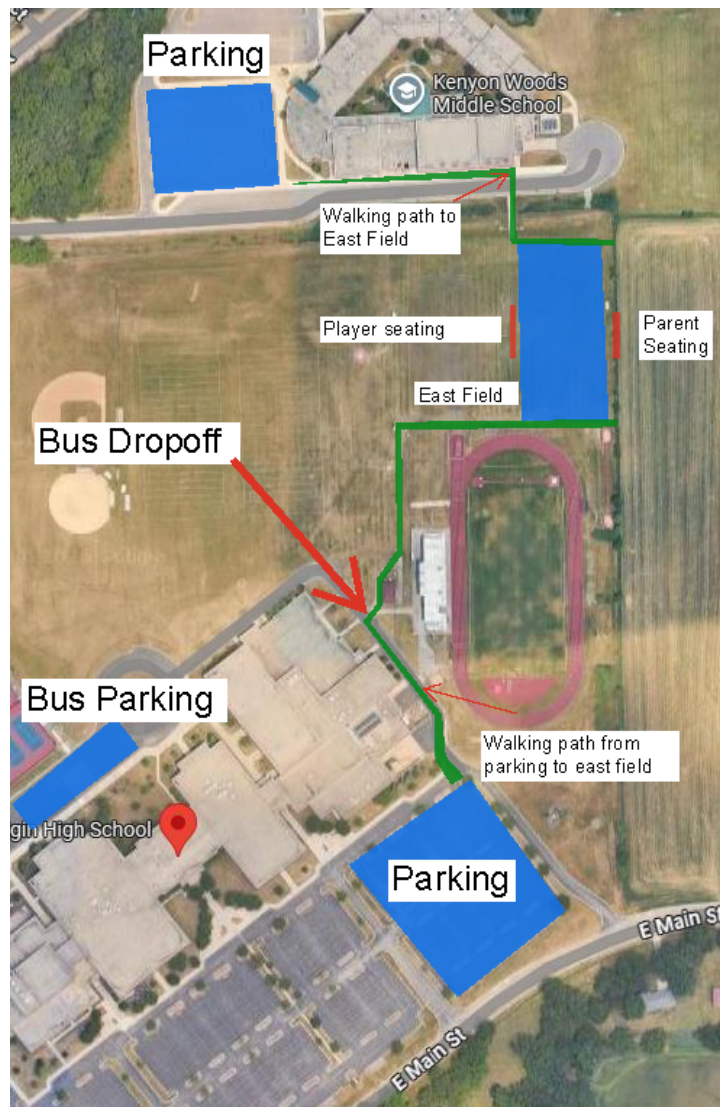

So far, 95 families have completed the **5Essentials Survey**, but we need at least 200 responses for our school to receive meaningful feedback. This survey gives you a voice in shaping the future of Kenyon Woods and ensures we continue to grow and improve. Your input is valuable, and we truly want to hear from you. **Your voice matters**—please take a few minutes to complete the survey and help us make Kenyon Woods the best it can be! Don't forget, Kenyon Woods is in Kane county. Be sure to select that when prompted.

SCHOOL SAFETY MEASURES

As part of our commitment to ensuring a safe learning environment, Kenyon Woods will be conducting random, non-invasive searches throughout the school year in accordance with board policy and law. These searches are a proactive step towards maintaining safety and fostering an environment where learning can thrive without disruptions. They will be carried out by trained school personnel, in a manner that respects the privacy of all students. We assure you that these measures are standard safety procedures and not in response to any specific incident or concern. If a student refuses to participate in the random search, the school administration will follow the necessary steps in accordance with the Student Code of Conduct. Should you have any questions, please contact the school's main office.
