

MRS. ADAMS - SCIENCE

This is my 22nd year with district u-46. I enjoy shopping and spending time with my family. I am a mother of two children and a glam ma of seven!

MRS. BYER - ENGLISH

I've been in District U-46 since 2001; I began teaching English at Canton and then moved to Tefft in 2007. I am both the boys and girls 7th grade volleyball coach. I'm a proud military mom...our son is in the Navy, stationed at Norfolk and will be deploying in October. Our daughter is a Labor & Delivery nurse at Elmhurst Memorial Hospital. When not teaching, I love reading, traveling, going to concerts, playing with our rescue pitbulls, and hanging out with my family.

MRS. ELWING - MATH

This is my 18th year teaching 7th grade math at Tefft Middle School. I grew up in Hanover Park and attended Horizon Elementary, Canton Middle School in Streamwood, and St. Edward High School in Elgin. I earned my Bachelor degree at Northern Illinois University in DeKalb and earned my Masters degree at Dominican University in River Forest. I ran 3 marathons along with many 5Ks, 10Ks, 10 mile races, and half marathons! I went skydiving 3 times! I jumped out of a plane at an elevation of 11,000 feet. It was fun, but I will never do it again! I enjoy traveling, hiking, and (of course) running!

MS. ROMINE - SOCIAL STUDIES

This is my third year at Tefft, but it is my ninth year teaching. I love spending time with my loved ones, going to concerts, reading and being outdoors. I am so excited to watch our students learn and grow throughout the school year. Go Atlantis!

MR. BONNAN - SCIENCE

I have been teaching for 21 years. I enjoy working with all students and helping them develop their science skills. In my spare time, I love watching movies, playing games (video games and tabletop games), and gardening. I'm excited to be working with students on Atlantis this year!!

DR. MARROUM - MATH

I have been teaching for 21 years. This is my first year at Tefft. I am teaching and co-teaching 7th and 8th grade math. I enjoy outdoor activities, art and crafts, and spending time with my family.

MRS. WALLACE - MATH INTERVENTIONIST

During my early years at Tefft, I taught Science in both 7th and 8th grades. For the past 2 years, I have taken on a new role of Math Interventionist.

MS. HEALY - ELA/SOCIAL STUDIES

I'm excited to begin my first year at Tefft! I will be teaching 7th and 8th grade ELA, along with co-teaching 7th grade social studies. I love reading, cooking, and spending time outside with my kids. I look forward to a successful year with the students.

MR. SERRANO - SOCIAL STUDIES/ALE

This is my first year at Tefft teaching Dual Language Social Studies and ALE (Artes de Lenguaje en Español). I love traveling to new places and listening to new music (except country)! Random fact: I am learning Japanese for my upcoming trip in 2025!
