VALENTINE'S PARTIES AT HAWK HOLLOW

Classroom teachers will be hosting Valentine's parties for students in February. Unfortunately, we cannot have volunteers in our classrooms to help out. If you would like to support your child's classroom teacher with the development of the party, please reach out to them via

email. I am sure teachers would appreciate any support parents can provide in preparation for the party.

Students are welcome to bring in Valentine's for their classmates but are required to hand out a Valentine to all members of their class.

5 ESSENTIALS SURVEY

The 5 Essentials Survey is open for our students, families, and teachers. We would love for all of our families to engage in the survey. The survey identifies five indicators that lead to important student outcomes, including improved attendance and larger test score gains. The five indicators that positively affect school success are:

**Effective Leaders Collaborative Teachers Involved Families
Supportive Environments Ambitious Instruction**

Research derived from the 5Essentials for School Success has proven that schools strong on at least 3 of the 5Essentials are 10 times more likely to improve student outcomes. In order to participate in this survey, you can click on the link below.
