HAWK HOLLOW'S VISION

We will work collaboratively to implement rigorous, standards-based core instruction and practice which shifts learning from teacher-based to student-based and fosters student agency showing improved outcomes for all.

NOTES FROM THE PRINCIPAL

This week across the nation was Principal Appreciation Week and the staff and students here at Hawk Hollow surely made me feel appreciated! Each day I would walk into the building to have staff and students shower me with words of appreciation! It made me feel so special!!! Thank you staff and students for making my job THE BEST JOB IN THE WORLD!!!! My heart is FULL!!!

CLASSROOM VISITS

During my classroom visits this week I was thoroughly impressed by our Little Hawks. In kindergarten, students were learning about different ecosystems and their food chains. The kiddos worked in pairs to put together a food chain for the ecosystem they were assigned. They had great conversations and were able to complete the task with minimal support from their teacher. At the end of the lesson, the teacher shared they learned topics that our 6th graders were learning, as well. The students were excited to hear they would be doing a lesson
