Mr. Feather's Headquarters

April 9th, 2022

Hawk Hollow's Vision

We will work collaboratively to implement rigorous, standards-based core instruction and practice which shifts learning from teacher-based to student-based and fosters student agency showing improved outcomes for all.

Student Spotlight

Student Council Fundraiser

Student Council would like to THANK each and every parent and staff member who donated to our Egg Cracking Fundraiser for Ukraine. As a school we raised \$1738.70 which exceeded our goal of \$1000!!!! We are looking forward to writing this check for a church in Ukraine to support all the families in need.

Pictures of our egg cracking event will be shared in the next newsletter as the event will be taking place next week.

Registration is Open

Even though it doesn't feel like Spring outside these days, it is here! We all know this means preparations for the upcoming school year has begun. We are working to build our sections but we need your help! As of Monday, registration opened for all students! Registration can be completed online but we are always here to support you if you need assistance.

All documents and links for registering your child can be found here:

<https://www.u-46.org/registration>

Ramadan Begins

Several students and staff are celebrating Ramadan this month. Ramadan is a time for Muslims to engage in

spiritual reflection, prayer, good deeds, and spending time with family and friends. Speaking of friends, Mustafa shared with me a little gift to celebrate Ramadan and I was thrilled he shared his faith with me!!!

Hawk Hollow Staff Shout Out

You've participated in several professional development courses throughout the school year to look at instruction in a new way. You've engaged in countless hours of planning and preparation to create lessons using those strategies. I want you to know I see the growth in all of you and in your students! What a great community of learners we have in our building! Continue to foster the love of learning in yourselves and your students! I want you to know I appreciate YOU!

Kindergartener Shout Out

Our kinder friends blow me away each and every day! On Friday a few friends from Miss Lionello's room read me a riddle they had written about oviparous animals. I was able to guess each animal correctly with a few hints from my friends! Watching the kids grow over the year is the most rewarding part of being an educator and I love that I get to be a part of this every day!

Mrs. Fitzsimons was able
to guess the riddle as well!
What a special treat for her!

Way to go Sam, Thea, Ava,
Ti, and Andrew!!!

Physical Education is Key to Good Health

During the third trimester students in 4th through 6th grade participated in the Fitnessgram Pacer Assessment. This assessment tests each child's endurance and fitness through a running exercise. Students are encouraged to perform to the best of their ability and they did not disappoint! Several students beat their previous goals or set new records for our school.

The leaders in our building are recognized here for their perseverance to meet their personal goals!

Top 2 Girls: Josie Krettler (4th grade, Score - 100) and Abby Wilkens (6th grade, Score - 95)

Top 2 Boys: GianCarlo Querry (6th grade, Score - 114) and Chase Torres (6th grade, Score - 112)

Calendar Events

April 11th - April 22nd: IAR Testing Continues

Students in third through sixth grade will continue testing throughout this week and next. Students will be pulled for make-up assessments upon their return to school.
