### Principal Notes

The first day of school is August 15<sup>th</sup> and our teachers are just about ready for your children.

On August 10<sup>th</sup>, you will be able to log in to Infinite Campus to identify your child's teacher. If you have difficulty logging in or have questions, please feel free to contact the Hawk Hollow office or the HelpDesk at 847-888-5000 x4295.

Curriculum Night will be held on two separate days for primary and intermediate. At both events, parents will meet with me for about twenty minutes and then will head to teacher classrooms. The primary grade will have supply drop off and intermediate students will need to bring their supplies the first day of school. If you ordered from Carson's School Supplies, your child's box will be delivered to the school. The PTH and I will work together to have those supplies delivered directly to the classroom.

Please consider joining our PTH. Membership fees are \$15 and meetings are held on the third Wednesday of the month from 6pm-7pm. Our first meeting is August 22<sup>nd</sup>, 2018. Our PTH works very hard throughout the year to provide engaging events for our students and staff. They also raise money for building needs like new playground equipment, books for the library, and technology. The PTH supports events like Walk for the Hawks, the ice cream social, teacher appreciation, and Candy Bar bingo to name just a few. If you are interested in joining, please contact [Hawkhollowpth@gmail.com](mailto:Hawkhollowpth@gmail.com).

## Arrival Procedures

### Bus riders:

Students who ride the bus will be dropped off (in the staff parking lot near the curb) around 8:10. Students will exit the bus and head to the playground where staff will be present for supervision at 8:10. If your child eats breakfast at school they can head into the building at this time.

### Car riders:

All cars are expected to stay to the right of the cones and are asked to pull all the way forward, even if there are no cars behind yours. Students are to exit on the curb side for their safety. Staff will be present to assist with doors, if necessary, just roll down your window to request support. If your child is in a booster and needs assistance with the seatbelt, please pull into a parking spot and assist them. Staff present will assist with getting your children safely across the drive. Students are then to head directly to the playground if dropped off between 8:10 to 8:29. Students dropped at 8:30 will need to be escorted in by their parent/guardian and signed in late for school.

## Dismissal Procedures

**NEW THIS YEAR** – Parents are asked to submit their dismissal schedules to teachers. *For example: If your child is a bus rider daily this information will need to be given to your child's teacher. OR If your child will be a car rider, please state the days of the week they will ride with you and see the office for a car tag.*

### Bus riders:

Students riding the bus will exit Door 5 and line up on the playground. They will await signals from the supervisor to board the bus.

### Walkers:

All students walking home will exit the building at Door 3 and head home from there. Staff will be outside supervising children.

### Car riders:

Car riders will exit the main doors and stand in a designated area to await their car. Car riders will need to know their tag number and notify the supervisor when their car arrives. We will be checking our lists to ensure all students enter into the correct car.
