Art, Music, and PE Attendance

Attendance in Art, Music, and PE is REQUIRED! Several of our students are NOT attending classes on a regular basis. Please check in with your Art, Music, or PE teacher if you would like specifics on your child. As a reminder, grades will be given to students and if students are not present or have not completed work teachers will be unable to assess resulting in a 1 on the report card. Finally, in Art, Music, and PE it is important for students to show their faces so teachers can access gross motor movements and see that students are participating. Please try to encourage your child to turn their cameras on.

School Improvement Goal Connection

Our school will ensure a safe and welcoming environment for all students through developmentally, culturally, and linguistically appropriate practices in Tier I, Tier II, and Tier III.

Be an Upstander!!!

October is National Bullying Prevention Month. As a school we are going to be engaging in some activities around bullying. During the month of October, I asked teachers to have students to take the Bullying Prevention Pledge. As a school, we want and need to ensure that all students feel safe! Being an Upstander means to stand up for yourself or for those that are being bullied. The key is when you see something, SAY SOMETHING. Below is the pledge we are asking students to take.

As a Kid Against Bullying, I pledge to:
Speak up when I see bullying.
Reach out to others who are bullied.
And be a friend whenever I see bullying.
