## Hawk Hollow Elementary

### October 5th, 2018

#### Monthly PBIS Events

**Cool Tools** – Cool Tools are mini lessons targeted to social emotional learning. The PBIS team uses school wide data to determine the area of focus and then lessons are provided to teachers for their classroom instruction. This month we will be learning:

**SWAP – Stop, Walk Away, and Problem Solve** – week of October 8th

**Awesomely Different** – week of October 22nd

**October 19<sup>th</sup>**

**Super Star Reader**

Students can pay 15 Feathers to read to another class.

#### Music Programs

This year our lovely music teacher, Mrs. Cooper is preparing students for concerts at Bartlett High School. Be sure to save the date!

Primary Grades – December 6<sup>th</sup>, 2018 @ 7pm

Intermediate Grades – March 6<sup>th</sup>, 2019 @ 7pm

#### School News

**REMINDER** - At this month's PTH meeting any parent that attends will bring home a special \$10 feather buck to their child. I promise you, your child will be SUPER excited about that buck! Please know children are welcome to attend the PTH meeting.

Special Shout Out to some of our 3<sup>rd</sup> Graders - Julia K, Madelyn B, Ricardo M, and Nathan S brought in books from home and started a lending library in our upstairs stairway. They wanted 2<sup>nd</sup> and 3<sup>rd</sup> graders to participate in the library so they shared their idea. Students have been checking out books this week and we are excited to see what this develops into! Way to be innovative, Julia, Madelyn, Ricardo, and Nathan!

Thank you to the parents who have contacted me to volunteer their time in the lunchroom. I have set up some interviews for next week and I am hoping we will have our positions filled soon. We do appreciate your support and patience while we are looking for candidates.

Parent teacher conferences are at the end of the month. Be on the look out for notification from your child's teacher regarding time slots.

If your daughter is in first grade and interested in becoming a Girl Scout be sure to check out the attached flyer.

Columbus Day is Monday and schools will be closed. We hope you enjoy your time with your families. We hope your weekend is OUT OF THIS WORLD!!!!

## Walk or Bike To School

On **Wednesday, October 10<sup>th</sup>** we are participating in the Walk to School Day Event. Many schools in our district and surrounding districts are participating in this event to support healthy life styles. It is important for every individual to get a daily dose of exercise. This helps to prevent a variety of different health problems.

We are encouraging our students to walk or ride their bikes to school. Our staff are excited to participate in this event with our students and their families. We will see you out in the neighborhood.

## Nurse Notes

Flu season is here and it is our goal to maintain the health of all our students. With your help, this can happen. Attendance is monitored daily by the nurse to evaluate trends and illnesses. With this information, we can evaluate if there is a higher incidence of particular symptoms in a class and also whether or not special cleaning needs to be done in a classroom. It is very important that when you call the attendance line, you state the student's specific symptoms – fever, cough, sore throat, etc. If your child has a fever, please state what the temperature is, if you know. Thank you for helping us keep our student healthy!
