School News

It's a special day when we get to celebrate those who have served!

What a spectacular event we hosted on Monday for our Veteran's! We were so lucky to have so many service men and women visit our classrooms to share their experiences and answer questions from our students.

Next week families will be celebrating the Thanksgiving holiday. Some of you may be traveling far or staying in the area to eat turkey and all the fixings with your families. Thanksgivings is a day when we should take a moment to reflect on all of the wonderful experiences or events that have occurred in our lives. As I reflect on our year, I would like to share what I am thankful for. I am thankful for the support we receive from our families, the volunteers who come into our building to support instruction and the PTH for providing events for families to gather. Additionally, I am thankful for the efforts our students put forth each day. I am thankful for our amazing staff who dedicate their lives to making sure students grow and learn both academically and emotionally.

I hope that each and everyone of you enjoy the time you have with your families next week!

Box Tops

Students collect Box Tops from participating General Mills products for periodic submission to the Box Top program. Each Box Top is worth \$0.10 for our school. Don't forget to send in BONUS Box Tops or Growing Local Learning Certificates provided at checkouts from Jewel, Meijer and other participating businesses. Parents can help by entering the FREE sweepstakes that are offered periodically by the Box Tops Program. With your help, we increase our chances of winning BONUS Box Tops that can add up to some serious cash for our PTH funds if we are selected. The more entries the better chance we have at winning!

Brrrrr!!! It's Cold Outside

Winter is HERE! The temperatures keep dropping and we had our first snow with accumulation just this week. Please be sure to have gloves/mittens, hats, snow pants, and boots for your child. We will be going outside even if it is snowing.

Indoor Recess will occur when:

- temperatures are below 15 degrees or the wind chill factor is 15 degrees or below by 10:30 am
- there are hazardous (ice or large amounts of snow) conditions on the playground

Students have been informed of the expectations for playing in the snow. They are as follows:

- Proper attire must be wore including snow pants, gloves and boots
- Snowmen and Snow angels are welcome but snowballs can hurt our friends
- Steer clear of ice and icicles as they can be very dangerous
