## 5Essentials Survey

As of today **72** parents have completed the Hawk Hollow 5Essentials Survey. **We have reached 21% of our families.** Last year our goal was to reach 50% of our families and we surpassed that goal at 53%! Let's see if we can exceed that percentage this year and reach 60%!!!!

Remember your child will receive a special feather buck once you complete the survey! It only takes 10 minutes of your time. Your feedback is very much appreciated!

The 5Essentials survey will remain open until about February 14th, 2020. You can complete the survey once or several times depending on the number of children you have attending Hawk Hollow. Please click on the link below to complete the survey.

### **Notes from the Nurse:**

Flu season is here and it is our goal to maintain the health of all our students. With your help, this can happen. Attendance is monitored daily by the nurse to evaluate trends and illnesses. With this information, we can evaluate if there is a higher incidence of particular symptoms in a class and also whether or not special cleaning needs to be done in a classroom. It is very important that when you call the attendance line, you state the student's specific symptoms – fever, cough, sore throat, etc. If your child has a fever, please state what the temperature is, if you know. Thank you for helping us keep our students healthy!

**\*Please remember you must call the attendance line by 10:00 am for any absence.**
