Arrival Procedures

Bus riders:

Students who ride the bus will be dropped off (in the staff parking lot near the curb) around 8:10. Students will exit the bus and head to the playground where staff will be present for supervision at 8:10. If your child eats breakfast at school they can head into the building at this time.

Car riders:

All cars are expected to stay to the right of the cones and are asked to pull all the way forward, even if there are no cars behind yours. Students are to exit on the curb side for their safety. Staff will be present to assist with doors, if necessary, just roll down your window to request support. If your child is in a booster and needs assistance with the seatbelt, please pull into a parking spot and assist them. Staff present will assist with getting your children safely across the drive. Students are then to head directly to the playground if dropped off between 8:10 to 8:29. Students dropped at 8:30 will need to be escorted in by their parent/guardian and signed in late for school.

ESSA

Every Student Succeeds Act

Illinois has posted the new school report card and ratings. There are four levels of performance by which schools will be rated. Those levels are:

- Exemplary
- Commendable
- Underperforming
- Lowest Performing

At our PTH meeting on November 28th, I will be giving a short Presentation on the new school report card, our rating, and how chronic absenteeism impacts our rating.

Dismissal Procedures

Bus riders:

Students riding the bus will exit Door 5 and line up on the playground. They will await signals from the supervisor to board the bus.

Walkers:

All students walking home will exit the building at Door 3 and head home from there. Staff will be outside supervising children.

Car riders:

Car riders will exit the main doors and stand in a designated area to await their car. Car riders will need to know their tag number and notify the supervisor when their car arrives. We will be checking our lists to ensure all students enter into the correct car.

5Essentials Survey

Don't forget to complete the 5Essentials Survey. It takes just a few minutes to complete and your child will earn a \$10 Feather buck for your participation.

If you have multiple children attending Hawk Hollow you can take the survey multiple times.

Hawk Hollow's building fundraiser is taking place on January 21st. U-46 has connected with the Windy City Bulls to bring a special fundraising event for our schools. If you are looking for something special to do as a family on January 21st (non-attendance day) then consider purchasing tickets to the Bulls/Knicks game at the Sears Center. A portion of the ticket sales will be given back to the schools to use for instructional purposes. A flyer is attached in the blackboard message for further details.

PBIS Updates

Fill Your Space Suit was yesterday and today. Students can paid 15 Feathers to purchase items from our PBIS store.

The week of November 5th, Little Hawks will focus on being responsible, respectful, and safe. What do those skills for learning look like? Students show they are respectful by writing positive messages to their friends or classmates. These messages will be hung up in the cafe for all to see. Make Mr. Feather's proud by showing how you respect others by creating a positive message for a friend.

Our Month Was Out of This World!

At the end of each month, teachers submit the number of Golden Tickets their students have earned. The teacher with the highest number of Golden Tickets on the first floor and the second will be recognized for outstanding leadership.

This month's winners are:
Mrs. Lackowski and Ms.
Welu
