If you are looking for more fun reading activities connected to myOn just click on this [link](#).

# Recognizing Excellence in Character

Throughout the month of February, teachers were on the lookout for students who exuded excellence in character. Today we celebrate those who excel. Congratulations to all the students who were recognized. Your photos will be taken and displayed in our café! We ARE PROUD OF YOU!!!!!!!!!!!! [Click HERE for those who excel.](#)

## End of Year Events

Each year we hold celebrations for our Kindergarten students, our fifth graders who completed DARE, and we honor our sixth grade students who are moving on to middle school. We plan to continue with this tradition this year and we are working on putting together events to celebrate our students. Once we have details we will be sharing with our families! We are excited to be able to celebrate with our students once again!

## March Celebrations

Students will be learning about:  
Women's History Month  
Irish American Heritage Month

# 5 Essential Survey

**Hawk Hollow would like to thank those families who participated in the 5 Essentials Survey. This data and feedback will be included in our school report card and reflected in our school improvement planning.**

## Update on Assessments

CoGat testing for 6<sup>th</sup> grade will conclude next week and all make-up 3<sup>rd</sup> grade sessions have been completed. As we gain information from the state regarding standardized testing like IAR and the Illinois Science Assessment we will let you know.

## Kindness Counts

Throughout March teachers will be scoping out students who are kind to others. We will be recognizing those individuals at the end of this month!

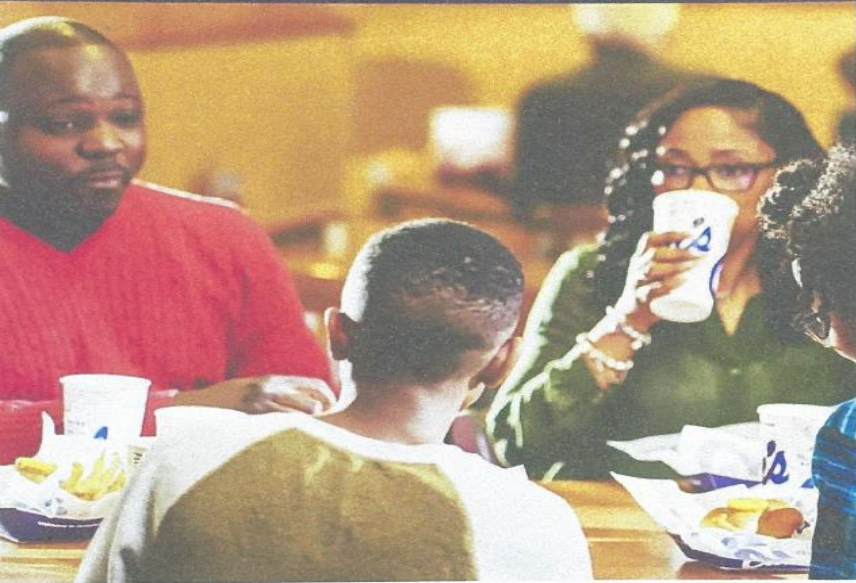

## Equity and Inclusion Survey

Last year in March, students in 4<sup>th</sup> – 12<sup>th</sup> grade engaged in the Equity and Inclusion survey. This data was shared during a PTH meeting. Unfortunately, due to technical difficulties only 44 students in our building completed the survey last year. To gain a better understanding of how our students are feeling, we will be administering this survey in the classrooms. Beginning March 8<sup>th</sup> – 26<sup>th</sup>, teachers will find a time during synchronous instruction to administer this 20 minute survey. The survey asks important questions about diversity and inclusion, cultural awareness and action, and our students' sense of belonging. The results will support our improvement plans. We know that when students feel included and represented, they are more likely to succeed. For more information regarding this survey you can visit: <https://www.u-46.org/Page/17983>
