IAR TESTING FOR 3RD – 6TH GRADE STUDENTS

On April 27th, we will begin IAR testing with our 3rd through 6th grade students. Teachers should have communicated schedules with you and your children. It's important to make sure your child comes prepared on the day of testing. Any remote student MUST self-certify the morning of the test. Children should eat a healthy breakfast, bring a snack & water bottle with them. It is also suggested students bring their own headphones.

May myOn Reading Contest

On May 1st, Hawk Hollow will be starting another myOn Contest! Liberty is just ending their monthly contest and we know how I love competitions! Therefore, we are going to try to beat their April minutes! If we do, then I will allow the student with the highest reading minutes to put a PIE in my face! Additionally, there will be a competition between grade levels. The classroom with the highest combined minutes will put a PIE in my face!!!

TEACHER APPRECIATION WEEK

May 3rd – May 7th is teacher appreciation week. The PTH has been celebrating our staff throughout the school year and are also putting some things together for this week. WE want you all to know how much we appreciate your gestures. A thank you from our community goes a long way!!

FLOWER SALES

If you ordered flowers from our spring flower sale you can pick them up on April 28th from 2:45-5pm. Please make sure to sign up for a time slot to come in for pick up.
