Principal Notes

WOW, what a turn out we had for our Fun Fair. Everywhere I looked I saw smiling faces and families sharing time with one another. It was a spectacular event that brought in over \$3,000 for our school. Krysta Phelan did an amazing job planning and organizing this event. Thank you, Krysta for all your hard work!

The Bartlett Police Department is holding their annual DARE Family Fishing Derby. This is a free event held on Saturday, May 12th from 9:30-12 at Beaver Pond. The Bartlett PD is inviting past, present, and future DARE students and their families to join them in some fishing fun! (see attached flyer in The Talon Connection).

In January when we celebrated Martin Luther King Jr's birthday all of the children in the building received a leaf. They were shown a video clip of the significance MLK had on this world. In honor of this, students were then asked to write their dream for the future on that leaf. On May 25th, we will be taking our dream leaves and planting them in the ground with a new tree. This tree will become known as our DREAM TREE. As the children learn and grow so will their dreams; this tree will signify the growth of their dreams. Please come and join us for our tree planting ceremony at 1:55pm.
