## School News

It's been a great week back at Hawk Hollow after our wonderful spring break. I certainly hope everyone enjoyed their time off with their families. My family and I had the opportunity to travel to Colorado to take part in my brother-in-law's wedding. It was an absolutely gorgeous event and one that will forever be remembered. Here is a photo of the picturesque view from the venue. I can't wait to go back to Colorado and take it all of its beauty!

This week we had our second practice fire drill. I was so proud of our staff and students because everyone was out of the building and accounted for within THREE MINUTES!!!! That is the fastest time yet! This just proves that preparation is key to safety! Please practice your plan at home to ensure your families are safe in case of an emergency. I can tell you from my own personal experience how important this truly is!

In the upcoming weeks, we will be practicing our lockdown drill as well. During this drill, teachers are expected to lock their doors and gather students in an area away from the door and windows. We have practiced this before and I

expect all will go as planned.
