School District U-46 is offering an incentive to families who register before May 30th. If you are interested in saving a few dollars please register NOW!!!

Also, please note the reason for early registration is to help schools staff their buildings for the upcoming school year. If you haven't registered please consider doing this ASAP.

Report Card News

This trimester we are going to be trying something new with report cards. Our school is attempting to be environmentally conscious so we will not be sending paper report cards home. This is something several other districts in the area currently do and Hawk Hollow received approval to move forward with this request. Directions will be provided to families on how to access the report card via Infinite Campus. *However, if you would like a paper copy of the report card, please contact your classroom teacher.* A paper report card can be sent home to families who make this request.
