Principal Notes

It's hard to believe the school year is coming to an end. It feels as though the year has flown by. There have been so many wonderful events held here at school and so much growth on the part of our students. Our teachers have been growing, as well. This past Friday the staff spent their day focused on literacy instruction including best practice and additional resources for our population. I walked away from our meeting feeling so very positive about the work that we had done and I am looking forward to seeing it in action next year.

There will also be a few other changes occurring in our building next year. We have some amazing individuals retiring this year and they will be greatly missed. We thank you for your many years of service here at Hawk Hollow and wish you all the best in your retirement.

Mrs. Schumann, Full Time Administrative Assistant

Mrs. Polly, Self Contained Special Education Teacher

Mrs. Janicki, 5th Grade Teacher

We will be welcoming a few new staff to the building as well.

Mrs. Walsh, will be the new Full Time Administrative Assistant

Miss Dusek, will be moving to 4th Grade

Mrs. Fels, new 2nd Grade Teacher joining us from Ronald O'Neal
