## Got the Kindergarten Blues?

Don't worry every parent new or "old" gets emotional on the first day of school, but it can be especially hard when sending off your Kindergartener. In order to help ease this transition for parents, we have organized an event for you.

On August 15<sup>th</sup> at 8:00am, we would like to invite all Kindergarten parents to the building early for a Boo Hoo breakfast. We have a few little surprises in store for you! Bring your little ones into the gym anytime from 8:00 until the first bell at 8:30 and don't forget your camera.

## School Supplies

If you previously ordered school supplies from Carson School Kits they will be delivered directly to the building and your child's teacher.

If you didn't have an opportunity to order online, no worries you still have time to get supplies at your local stores. Here is the link for the supplies needed for each grade level.

## Principal Notes

On behalf of the staff at Hawk Hollow Elementary, we would like to welcome you to our learning community for the upcoming 2018-2019 academic school year! We certainly hope everyone has enjoyed their summers and is excited to begin school.

I am certain you are all interested in finding out who will be your child's teacher for the upcoming school year. We have one final registration on August 6<sup>th</sup> and will be finalizing class lists the following day. Once all information is updated into Infinite Campus we will release your child's teacher. I am hoping to have this completed so that you will have the name of your teacher by the end of the day on August 10<sup>th</sup>. If this can be done sooner, I will certainly update everyone.

We have begun preparations for the first day of school and are looking forward to making this year OUT OF THIS WORLD. The first day of classes is Wednesday, August 15<sup>th</sup> with a start time of 8:30am. Information regarding pick-up and drop off procedures will be sent out in a separate document next week. There will be a lot of information to start off the school year so we will also be posting the newsletters on our website and on the Facebook page. Please feel free to share the documents with any new families to our building just in case they missed the notification through our Blackboard system.

Lastly, if you have any questions do not hesitate to call or email. This is my first week back in the building after my summer break and I do have meetings from time to time but will always find time for you!

Looking forward to seeing your smiling faces!,

Regards,  
Mrs. Dupuis
