

**Assessment #9: Speech Analysis**

**Reading: Informational Text 11-12.1**

Cite strong and thorough textual evidence to support analysis of what the text says explicitly as well as inferences drawn from the text, including determining where the text leaves matters uncertain.

<p><b>4</b> Identifies the evidence that most strongly and thoroughly supports the explicit meanings as well as major and subtle meanings in the text.  Determines where the text leaves matters uncertain and proposed ideas about why these were left uncertain.</p>	<p><b>3</b> Identifies evidence that most strongly showed understanding of both explicit meaning and major inferences.  Determines where the text leaves matters uncertain.</p>	<p><b>2</b> Identifies evidence in the text and understands the explicit meaning in the text.  Identifies some basic matters in the text that were left uncertain.</p>	<p><b>1</b> Identifies evidence in the text understands the explicit meaning in the text.</p>	<p><b>0</b> There is no, or insufficient, evidence of learning to assess the standard at this time.</p>

**Writing: 11-12.1**

Write arguments to support claims in an analysis of substantive topics or texts, using valid reasoning and relevant and sufficient evidence.

<p><b>4</b> Very effectively introduces significant claims and counterclaims, providing thorough evidence of each.  Writes very clearly and shows the relationships between reasons, claims, and evidence.  Maintains a formal style appropriate to the discipline of the topic and targeted audience.  Provides a strong concluding statement that supported the claims.</p>	<p><b>3</b> Introduces significant claims and counterclaims, providing thorough evidence of each. **Assessment #9: Speech Analysis "I Can" Statements**

**Reading Informational - RI 11-12.1**

I can define textual evidence ("word for word" support)

I can define inference and explain how a reader uses textual evidence to reach a logical conclusion ("based on what I've read, It's most likely true that...").

I can read closely and find answers explicitly in text (right there answers) and answers that require an inference.

I can analyze an author's words and determine multiple pieces of textual evidence that strongly and thoroughly support both explicit and inferential questions.

I can determine places in the text that leave matters uncertain (e.g., when the reader must draw his/her own conclusions/assumptions).

## 2nd Semester; 12th Grade

### **Writing - W 11-12.1**

I can analyze substantive (influential) topics or texts to determine an argument that causes or has caused a debate in society.

I can choose a side of the argument, identify precise, knowledgeable claims, and establish the significance of the claim(s).

I can identify alternate or opposing claims that counter my argument.

I can organize claims, counterclaims, reasons, and evidence into a logical sequence.

I can anticipate my audience's knowledge level, concerns, values, and possible biases and develop my claims and counterclaims by pointing out the most relevant strengths and limitations of both.

I can present my argument in a formal style and objective tone.

I can create cohesion and clarify relationships among claims and counterclaims using transitions as well as varied syntax.

I can provide a concluding statement/section that supports my argument.

### **Speaking and Listening - SL 11-12.3**

I can define point of view as how the speaker feels about the situation/topic being presented.

I can determine a speaker's point of view (What do I know about the speaker's opinions, values, and/or beliefs?) and explain his/her reasoning.

I can define rhetoric (a technique used to persuade a listener to consider a topic from a different perspective).

I can identify when a speaker uses evidence and/or rhetoric and analyze how these techniques strengthen his/her point of view or purpose.

I can assess the stance, premises, links among ideas, word choice, points of emphasis, and tone used by the speaker.
