

Make sure you have reviewed the directions in the *Acadience Assessment Manual* and have them available. Say these specific directions to the student:

- Practice item #1) **Listen to me say this word, “man.” The first sound that you hear in the word “man” is /mmm/. Listen. /mmm/. “Man.” What is the first sound you hear in the word “man”?**

- Practice item #2) **Listen to me say another word, “moon.” What is the first sound you hear in the word “moon”?**

- Go to the next page.

Acadience First Sound Fluency

Directions

- Practice item #3) **Let's try another word, "sun."** (Wait up to 3 seconds for student to respond.) If the student does not respond, ask, **What is the first sound you hear in the word "sun"?**

- Begin testing. **Now I am going to say more words. You tell me the first sound you hear in the word.** Say the first word from the list in the scoring booklet.

Timing	1 minute. Start your stopwatch after saying the first test item.
Wait	If the student does not respond within 3 seconds on a word, mark a slash (/) through the zero and say the next word.
Discontinue	If no sounds are correct in the first five words, discontinue and record a score of 0.
Reminders	<p>If you think the student may have forgotten the task, say Remember to tell me the first sound that you hear in the word. Immediately say the next word. (Repeat as often as needed.)</p> <p>If the student says the name of the letter, say Remember to tell me the first sound in the word, not the letter name. Immediately say the next word. (Allowed one time.)</p>
