Dear Parents,

The federal requirements of the *Every Student Succeeds ACT (ESSA)* requires that every school district annually administer the test *Assessing Comprehension and Communication in English State to State for English Language Learners (ACCESS)* in order to determine English language proficiency. This test is administered to all students identified as English Learners (ELs) at their attending school during school hours. Once these students are identified, school districts are required by the Illinois State Board of Education (ISBE) to continue administering the *ACCESS* test until the students meet the English language proficiency minimum criteria established by the state, which is an overall composite proficiency level of 4.8.

The results of the *ACCESS* tests are very valuable in guiding instruction and providing appropriate instructional programs that responds to our students' needs.

In District U-46, students will test within the window of January 16 through February 19, 2019. Please check with your school for the exact dates in which your child will test. Students in 2nd through 12th grade will complete the test online, while Kindergarten and 1st grade will take the paper pencil test.

If you would like more information please contact the ELL Office at (847) 888-5000 at ext. 4281. Thank you for your cooperation.

Sincerely,

Principal Arroyo

Parkwood will empower students to develop their dreams and convert them to reality.
